## ABOUT US

- We are an international, investment solutions oriented company based in IFZA (Dubai, UAE)
- A multicultural management team with more 30 years combined experience in different business fields
- High level investment advisory and qualified project management with customized service
- We speak 4 international languages and pride ourselves in cultural awareness
- Strong professional network based on trust and support in the UAE
- As EU nationals, we have the right and possibility to conclude contracts in the territories of EU countries

## TATJANA PACHMANOVA

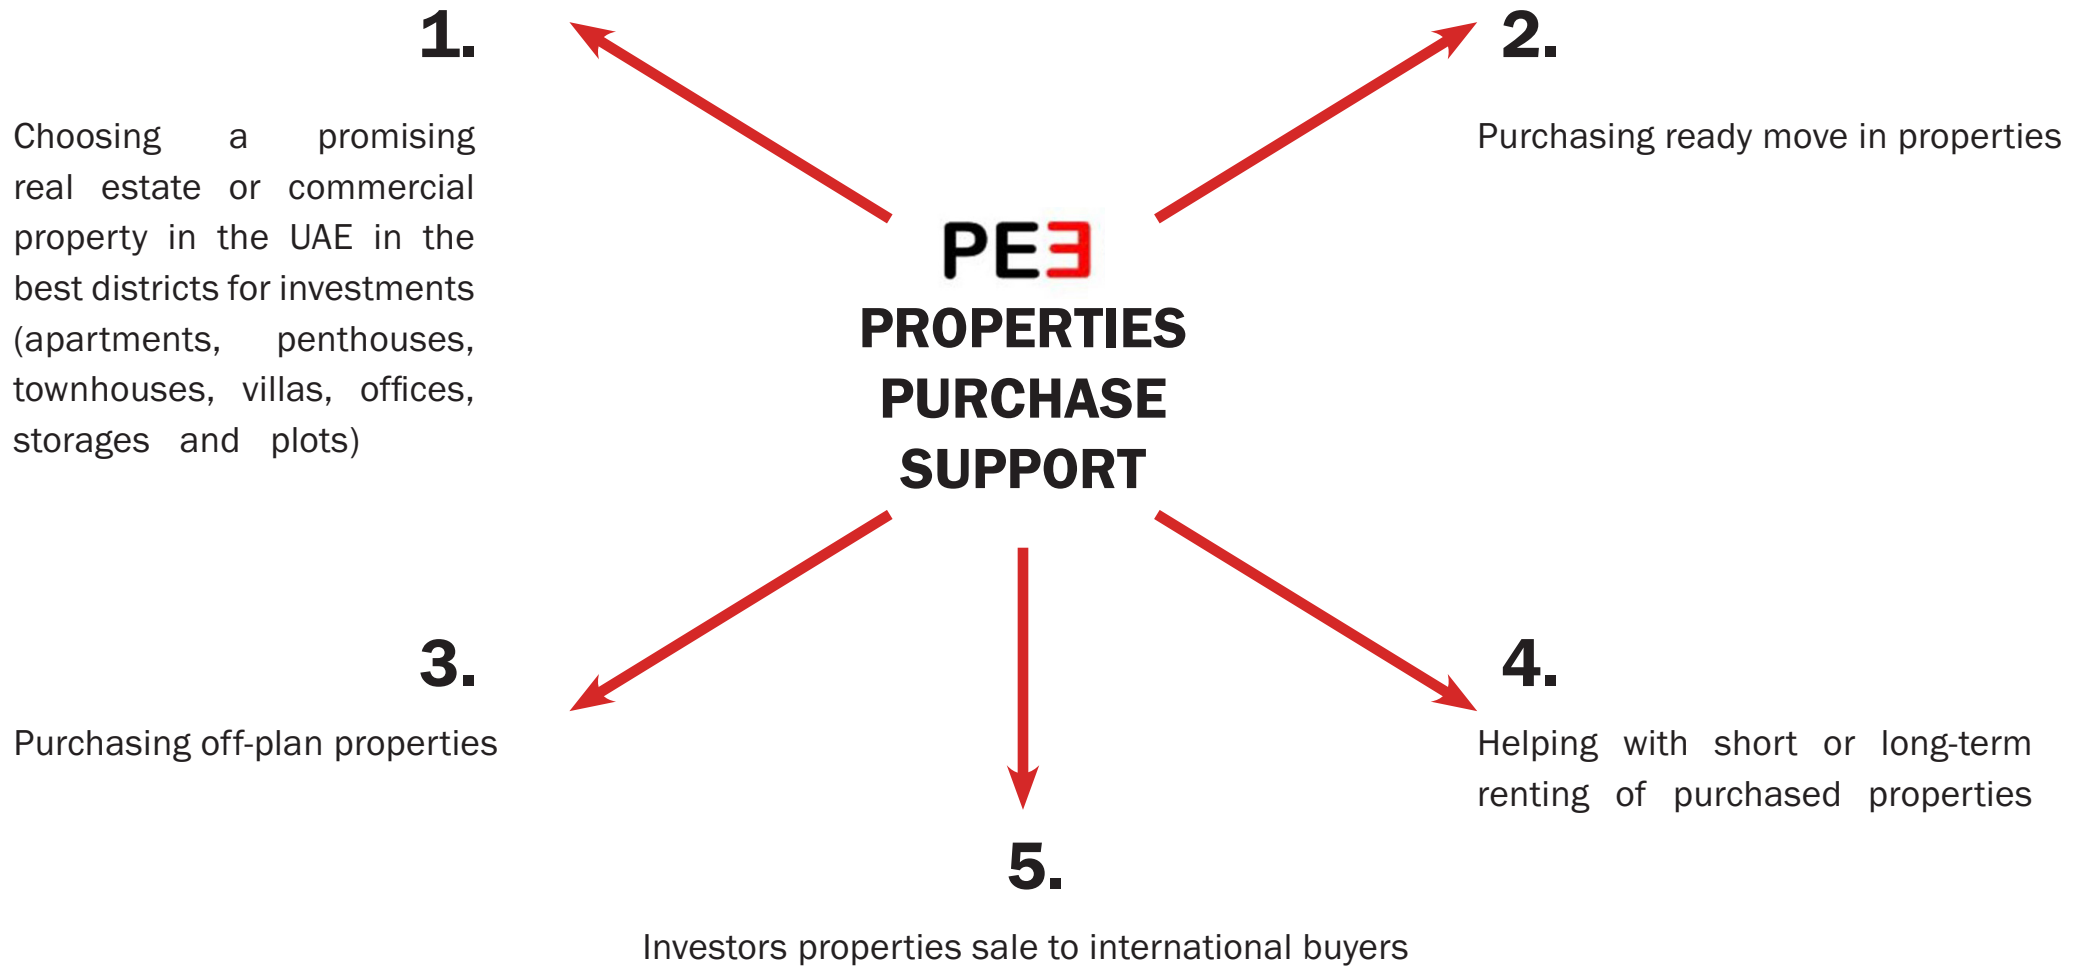

(CEO AND CO-OWNER)

I own an experience in International Sales & Marketing and a proven executive level of business development in the field of security documents (passports, tax stamps, banknotes...) and technical hemp-based products. Being internationally minded and experienced I do my best to develop business and investment strategies to generate more revenue for investors.
